OUR COMPANY

Founded in 1989, Saad Ali Alessa Group for Contracting has grown into one of the Kingdom's most trusted partners in Operation & Maintenance and industrial services. Backed by decades of expertise, certified teams, and a culture of safety and quality, we specialize in ensuring the seamless performance, rehabilitation, and long-term integrity of critical oil, gas, and water infrastructure.

As a subsidiary of EMKAN Holding, we proudly align with Vision 2030, delivering localized, high-impact solutions across Saudi Arabia.

MISSION

To deliver tailored, cost-effective, and sustainable maintenance and rehabilitation solutions for the oil, gas, and water sectors—while upholding the highest standards of safety, quality, and professionalism, and nurturing long-term partnerships with clients across the region.

VISION

To become the Kingdom's most trusted provider of comprehensive Operation & Maintenance services, setting new benchmarks in reliability, safety, and service excellence.

SAAD ALI AL ESSA GROUP FOR CONTRACTING:

"At Saad Ali Alessa Group, we believe that the true value of a service provider lies in its ability to adapt, respond swiftly, and ensure uninterrupted operations for its clients. Our commitment to safety, operational excellence, and continuous improvement has enabled us to maintain long-standing relationships with some of the most prominent entities in the Kingdom.

As we align with the goals of Vision 2030, our focus remains on localizing capabilities, growing our human capital, and expanding our service portfolio in the field of Operation & Maintenance."

GM. Khaled Hamid
General Manager

As part of our strategic expansion, we are now preparing to extend our reach into the international market, contributing to Saudi Vision 2030's objective of increasing Saudi exports and international market presence. By delivering our exceptional services to a wider global audience, we are poised for a thriving future. With the expertise and talent of our team, Saad Ali Al Essa Group for Contracting is well on its way to establishing itself as a leading service provider worldwide.

I am excited about the road ahead and look forward to continuing our journey of growth and excellence alongside our partners and clients, contributing to the Kingdom's localization objectives and sustainable economic development.

VALUES

Safety: Safety is our culture. Committed to ensure a safe and healthy environment.

01 •

Agility: Rapid response and Agile solutions for urgent infrastructure needs.

02 •

Accountability: Taking responsibility, transparency and integrity on delivering commitments to clients.

03 •

Workforce: Employees well-being first to drive exceptional client outcomes.

04 •

Excellence: providing exceptional quality and utilizing state-of-the-art technologies.

05 •

Values That Shapes Our Culture

Safety: Safety is our culture and utmost priority. We are dedicated to ensuring the well-being and protection of our employees, clients, and the communities we serve. We empower our employees to maintain rigorous safety protocols, provide comprehensive training, and continuously strive for a zero-incident workplace.

Agility: We understand the critical nature of oil, gas, and water infrastructure. We commit to providing fast and efficient response times to address maintenance and rehabilitation needs. Our agile approach enables us to mobilize resources quickly, minimizing downtime and disruptions for our clients.

Workforce: We value and prioritize the well-being and professional growth of our employees. We provide a healthy and inclusive work environment that fosters teamwork, mutual respect, and personal development opportunities. By prioritizing our employees, we empower them to deliver their best work and contribute to the success of our clients and the company.

Excellence: We are committed to providing exceptional quality in every aspect of our services. We adhere to industry best practices, employ skilled professionals, and utilize state-of-the-art technologies to deliver superior results. Our dedication to quality ensures that we meet and exceed client expectations, building long-term partnerships based on trust and satisfaction.

Accountability: We take full responsibility for our actions and outcomes. We hold ourselves accountable to our clients, employees, and stakeholders. We strive for transparency in our operations, maintaining open lines of communication, and delivering on our commitments with unwavering integrity.

OUR SERVICES

SI-MEM04 Rev. 10 Issued 01 MAR. 2021

Cybersecurity Compliance Certificate

Issuance Date: 08.27.2023
CCC Reference Number: 13-22-082723-R

This is to confirm that

Saad Ali Alesa Group for Contracting

Commercial Registration Number 2059000769
9199, King Fahad Road, 2951 Al Bandariyah Dist., Khobar

was subject to an assessment by Seven Tech to evaluate its compliance with Saudi Aramco Third Party Cybersecurity Standard (SACS-002). Based on the assessment carried out between Aug 9, 2023 and Aug 27, 2023, Saad Ali Alesa was found to be compliant with the Standard.

For the classification of:
General Requirements, Type: CCC

This certificate is valid for a period of two years from the date of issuance.

Disclaimer:

This certificate is provided based on the information provided by Saad Ali Alesa that indicates their cybersecurity posture at the time of the assessment. Seven Tech has not evaluated the adequacy or appropriateness of the Standard complied by Saudi Aramco. Seven Tech evaluation was limited to assessment against Saudi Aramco Third Party Cybersecurity Standard (SACS-002) and should not be relied upon as an assurance beyond the areas covered by this Standard. Seven Tech shall not be liable for any loss, damages, costs or expenses directly or indirectly incurred by any third party, who may rely upon this certificate for whatever reason. This certificate is only for the purpose of meeting the requirements of Saudi Aramco and should not be published on any website or relied upon by anyone other than Saudi Aramco.

OUR SAFETY POLICY

SAAD ALI AL ESSA GROUP is committed to providing and sustaining a safe and healthy working environment for all employees, contractors, visitors, and stakeholders. We recognize that the well-being of our people is fundamental to achieving operational excellence, business success, and compliance with client, local & international health and safety standards.

OUR COMMITMENT AND DEDICATION:

- **Preventing Injury and Illness:** Eliminating workplace injuries and occupational illnesses by continuously improving our Health and Safety Management System, through proactive measures, best practices, and adaptation to changing circumstances.
- **Safe Work Environment:** Maintaining safe workplaces, equipment, machinery, and plant, and ensuring the safe use, handling, storage, and transportation of materials and substances through the establishment and enforcement of safe work procedures.
- **Training and Competence:** Providing employees with the information, instruction, training, and supervision required to perform their tasks safely, while promoting awareness of physical and mental well-being.
- **Employee Engagement:** Encouraging consultation and participation of employees in health and safety initiatives, ensuring their insights contribute to maintaining an effective workplace system.

- **Emergency Preparedness:** Developing, maintaining, and implementing emergency response and evacuation plans to ensure swift and effective action during any incident or unforeseen contingency.
- **Health and Safety Performance:** Setting measurable health and safety objectives and targets, monitoring implementation through inspections, audits, and investigation of incidents and accidents.
- **Safety Empowerment:** Implementing and enforcing “Stop Work Authority” and “No Supervisor, No Work” policies to empower employees to report unsafe acts and conditions, reducing the likelihood of accidents.
- **Work-Life Balance and Wellbeing:** Promoting a safe and healthy working environment that supports overall physical and mental health, preventing burnout and encouraging a balanced work-life approach.

ACCOUNTABILITY AND CULTURE

Safety is an integral part of our culture. Everyone, from top management to frontline workers, subcontractors, and visitors, is responsible for upholding this policy. Management will provide necessary resources, leadership, and support for the effective implementation and continuous improvement of our health and safety management system. Periodic reviews will be conducted to ensure compliance with this policy and relevant standards.

SAFETY FIRST – EVERYONE, EVERYWHERE, EVERY TIME

OBLIGATION

It is the duty of all employees, contractors, visitors, and any other person working within AL-ESSA premises to take reasonable care for the health and safety of themselves and others.

Management will undertake periodic, appropriate reviews, and ensure that this policy remains relevant to our business.

Safety health and welfare is everybody's responsibility to guarantee safe, injury and incident-free operations whilst carrying our business .

QUALITY POLICY

SAAD ALI AL ESSA GROUP FOR CONTRACTING is committed to provide the highest quality standard within the business coverage throughout the kingdom.

- Effectively implementation of Quality Management System Quality Assurance & Quality Control, Management Reviews, and Objectives that conform to ISO 9001:2015 and customer quality requirements.
